Re: David and Darlene Housefield

To whom it may concern

I have had the honor of building and pastoring a multi faceted large marriage ministry at Grace Family Church. David and Darlene have been with me since the very beginning of this endeavor roughly thirteen years ago.

David and Darlene have brought the heart of God for couples and their success as well as extraordinary leadership. They exemplify the essence of servant leadership. They have always honored leadership as we have grown the ministry to well over 600 couples across eight campuses during their tenure. In addition to exemplary leadership, they have been a mentor to so many. Their mentorship has been influential to me as a Pastor, to many couples in all seasons of relationship from Pre-married to married for decades. Their leadership and heart will be influential for generations as marriages have been strengthened, invested in and in many cases, saved from divorce.

They have been pivotal in the development of key resources and groups such as marriage content, pre-married content development and their sweet spot which has been communication. I have rarely seen leaders who could lead as many as 60-70 people in a room and still make it feel like a small group.

There impact will be felt for generations and their absence will and is felt already here in marriage ministry and at Grace Family Church.

I recommend them to the ministry they are being called to in Colorado and am excited to see the fruit that will grow on that tree.

Please do not hesitate to reach out to me if you have any questions.
